Nikayla Haynes

- Followed rules
- I loved the composition and the narrator's tone
- However, I wish I could hear the narrator better
- The video was well-paced

Kayla Bowman

- Followed rules
- Narration and sound design were well executed
- Lower exposure/contrast/saturation
- The video was well-paced

Gabriella Thomas

- Followed rules
- Audio was very clear
- Make sure the tripod shadow is out of frame
- The video was well-paced

Ethan Bookbinder *

- Followed rules
- Visual and audio effects were excellent
- I wish the video were longer/had more content
- The video was quick-paced

Tyler Lucas *

- Followed most rules (broke some eye contact)
- Loved the narrative design and execution as a whole
- I would correct the formatting/punctuation of the text
- The video was perfectly paced

Antonia Valeri

- Followed the rules
- Video quality and sound design were well executed, loved the narrative
- I would use a more accessible typeface for the captions
- The video was perfectly paced

Lily Clifford

- Followed the rules
- Loved the narrative
- I wish the 360 shot was more visible
- The video was perfectly paced

Murro Gill

- Followed the rules
- Excellent audio and visual effects
- I wish it were brighter in some shots
- The video was quick-paced, I wish there was more content

Aileena Sargeant

- Followed most of the rules (did not make the audience uncomfortable/uneasy)
- Excellent narrative, great audio, and camera control/shots
- I wished it paid more homage to the source
- The video was well-paced

Bekzod Nurboev

- Followed the rules
- Great use of angles/shots
- Correct audio transition/looping between shots
- The video was well-paced

Nada Almatani

- Followed **my** rules perfectly
- Excellent framing and composition
- I wish it were brighter in some scenes
- The video was long-paced and went about a minute over

Sid Crabtree

- Followed the rules
- Great video and audio quality, great composition, loved the ending
- I would have added some faint background music
- The video was well-paced

Gaige Stebler

- Followed the rules
- Great video and audio quality, loved “the perfect student” bit
- Framing could be improved in some shots
- The video was well-paced

Noah Schardt

- Followed the rules
- Excellent video quality, love the sound design
- No notes to be honest
- The video was perfectly-paced
